

Feeding the Gulf Coast supplies many food pantries, soup kitchens and other non-profit organizations with shelf-stable food for individuals in need in the community. In honor of 40 years of service, the food bank is challenging community members and organizations to host a 40 Days of Hope Food Drive.

We need YOUR help! Feeding the Gulf Coast is asking for donations that include our most needed meal items so that we can provide meals to all those in need this season. There is a different suggested item to donate for each day. As the food drive organizer, you can encourage people to give all 40 days, but if that is not possible for everyone, they can give as much as they can throughout the food drive.

Thank you for your support!
