

THE IMPACT OF YOUR SUPPORT

With your help, Feeding the Gulf Coast is reaching more people facing hunger. Through investing in new ideas and partnerships, we are providing more food than ever before. These meals are strengthening people who truly need help, including struggling veterans and seniors, so they have the energy to reach for a better day. Thank you for helping us build a more nourished world.

*(Map the Meal Gap, 2017)

REDUCE FOOD INSECURITY

STRATEGIES:

- Expand partnerships to source and distribute more nutritious food.
- Increase food distribution in high need areas.

IMPROVE DIET QUALITY

STRATEGIES:

- Partner with healthcare professionals to screen for food insecurity.
- Increase client access to fresh produce.

BREAK THE CYCLE OF POVERTY

STRATEGIES:

- Increase partnerships with community-based services to help families move to financial security.

WAYS TO ENGAGE

Identifying vulnerable populations in your district who are food insecure and in need of food assistance.

Visit our facility or attend a food distribution at one of our community partner sites.

Take a hard look at policies affecting hunger. Help prevent unnecessary rules and restrictions.

Preserve the core safety net for the most vulnerable citizens.
