

For the past several years, Feeding the Gulf Coast has supplied as many food pantries, soup kitchens and other non-profit organizations as possible with free Thanksgiving meals. In turn, these agencies give the holiday meals to individuals and families facing food insecurity in the community.

Unfortunately, we are not financially able to provide holiday meals to all of our agencies this year. That's where YOU come in! Feeding the Gulf Coast is asking for donations that include our most needed holiday meal items so that we can provide holiday meals to all those in need this season.

Thank you for your support and sharing in the giving holiday spirit!

THE FOLLOWING ITEMS WILL BE USED TO PACK OUR THANKSGIVING MEAL BOXES AND ARE IN SHORT SUPPLY:

- **Boxed Stuffing – MOST NEEDED**
- **Canned Yams (Sweet Potatoes) – MOST NEEDED**
- **Canned Sweet Peas**
- **Boxed Mashed Potatoes**
- **Boxed Macaroni and Cheese**
- **Canned Cranberry Sauce**
- **Canned Corn**

Though we will be accepting **ALL** non-perishable food items, we use high volumes of the above items to help pack our holiday food boxes. Maybe consider dedicating one day of your food drive to help build “meals” for these families and individuals. It's a unique way to show how participants are helping Feeding the Gulf Coast serve families and individuals along the Central Gulf Coast during the holiday season.
