

NOURISHING COMMUNITIES

2017 Annual Report

WHAT DOES IT TAKE FOR OUR COMMUNITIES TO *flourish*?

In 2017, our Board of Directors and staff came together to cast a vision for how to accomplish this goal within our communities over the next five years. The results of our 2022 Strategic Plan have invigorated our organization with new purpose.

By 2022, we aim to increase access to nutritious food and reduce the food insecurity rate in our service area. We also seek to decrease the number of food insecure families with children and assist in sustaining food security over time through community-based partners and advocacy efforts to increase client self-sufficiency. We need your support to achieve these goals.

Every day, we work toward establishing a hunger-free Central Gulf Coast, where communities are healthy, thriving, and buzzing with industry; where families are stronger and have the comfort of a warm, balanced meal every evening; and where children go to school ready to learn, energized from a hearty breakfast each morning.

Here at Feeding the Gulf Coast, we strive daily to nourish communities, and our work begins with access to healthy food.

Last year we distributed over **19 million meals** through the hands and feet of our dedicated partner agencies. This was no small task, and it was made possible by you—our donors, supporters, and friends. We are grateful for your continued partnership to help end hunger along the Central Gulf Coast.

CATHY POPE
President & CEO

MARION QUINA, JR.
2017 Chair, Board of Directors

VISION:

A Hunger-Free Central Gulf Coast

Our strategic priorities, supported by measurable objectives, will provide the foundation to guide our efforts over the next five years as we work to end hunger along the Central Gulf Coast.

FEED

GOAL:

Reduce Food Insecurity

- DISTRIBUTE 25 MILLION MEALS BY 2022.
- EXPAND PARTNERSHIPS TO SOURCE AND DISTRIBUTE MORE NUTRITIOUS FOOD.
- INCREASE FOOD DISTRIBUTION IN HIGH NEED AREAS.

NOURISH

GOAL:

Improve Diet Quality

- PARTNER WITH HEALTHCARE PROFESSIONALS TO ADDRESS AND SCREEN FOR FOOD INSECURITY.
- INCREASE CLIENT ACCESS TO FRESH PRODUCE.
- EDUCATE ON THE IMPORTANCE OF A HEALTHY DIET.

EQUIP

GOAL:

Break the Cycle of Poverty

- INCREASE RESOURCES AVAILABLE TO HOUSEHOLDS.
- INCREASE PARTNERSHIPS WITH COMMUNITY-BASED SERVICES TO HELP FAMILIES MOVE TO FINANCIAL SECURITY, STRESSING THAT THE HEART OF THE HUNGER PROBLEM IS FINANCIAL INSTABILITY.

ENGAGE

GOAL:

Inspire Public Support

- INCREASE AWARENESS OF THE ISSUE OF HUNGER AND FOSTER A SPIRIT OF EMPATHY TOWARDS FORMING A SOLUTION.
- RECRUIT ADVOCATES TO HELP SHAPE PUBLIC POLICY REGARDING HUNGER.

“Where I live is very rural, and I can’t always afford to drive 20 miles to a grocery store that has fresh produce, which I can’t afford either. Sometimes I have to carpool with neighbors to a food pantry. Food pantries and mobile pantries are a life saver.

I am able to get the fresh food I need closer to my home.”

- MOBILE PANTRY CLIENT

PARTNER AGENCIES

OUR NETWORK OF OVER **400** AGENCIES HELPED DISTRIBUTE OVER **19 MILLION** MEALS TO MORE THAN **300,000** INDIVIDUALS.*

Our mission is made stronger by the support of our partner agencies. They are essential to meeting the need on the ground level.

In 2017, we were selected to help run the Commodity Supplemental Food Program (CSFP) in some of our Florida counties, which helps bridge the gap in meals many seniors face every month.

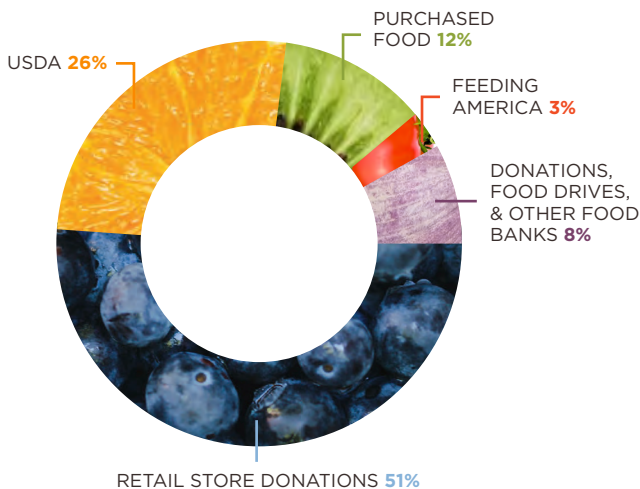

Our seniors often express gratitude for the extra food they receive. Over 42,000 meals have been provided to seniors in need since we began this program.

LAST YEAR OVER 1,394,400 MEALS WERE DISTRIBUTED TO 33,576 FAMILIES* THROUGH MOBILE PANTRY/PRODUCE DROP DISTRIBUTIONS.

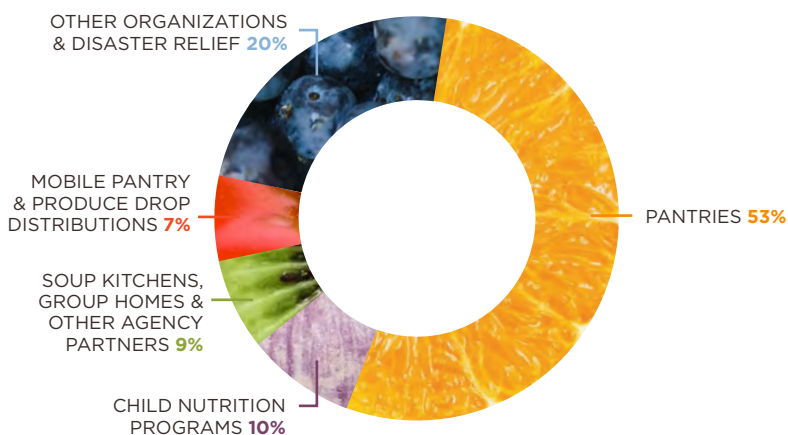

*Possibility of duplication.

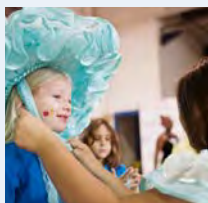

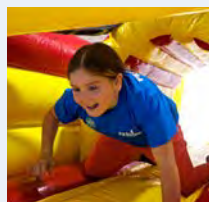

FOOD INVENTORY REPORT

Food Sources 24,463,840 lbs.

Distribution 23,237,734 lbs.

Last year, thanks to a grant from Share Our Strength, we held seven Summer Feeding events to increase participation during the summer months at our sites.

CHILD NUTRITION

WE PROVIDED **1,829,177** MEALS/SNACKS TO **21,760** CHILDREN* THROUGH OUR CHILD NUTRITION PROGRAMS.

Imagine as the bus stops to let students off at school, one out of every four kids walks a little slower than the rest, unenergized and hungry because they went to bed without a meal the night before. To address the issue of child hunger, we operate multiple programs to provide children with healthy meals. We partner with parks and

recreation sites, schools and local community resource centers to provide meals to children along with enrichment activities, such as nutrition education, in a safe location.

LAST YEAR OVER **2,400** CHILDREN WERE PROVIDED WITH BACKPACKS TO TAKE HOME ON THE WEEKENDS DURING THE SCHOOL YEAR.

*Possibility of duplication.
Photos left & top, courtesy of Share our Strength
Photo right, © National Geographic, Courtesy of Feeding America.

“ When it comes to weekends, we worry that some of our students won’t be fed.

The Backpack Program assures us that they will have something to eat until the next time they are in our care. I am grateful for the food bank and others that donate food. It really does take a village to raise our children.”

- CARA HARPER, RHODES ELE.

“Someone comes out from the SNAP* Program to sign up anyone that is interested or hasn’t signed up. A lot of times some of the people are not aware that they are eligible to sign up. All of this comes together to help relieve their budget, which is often very stretched. It reaches out to the people in the outlying and very rural areas.”

- CAROLYN POWE, OPEN DOOR PANTRY

BENEFITS OUTREACH

OUR TEAM HELPED COMPLETE **3,823** SNAP* APPLICATIONS, GENERATING AN ESTIMATED **3,835,710** MEALS IN 2017.

Our Outreach Program works with many community partners, like The Open Door Pantry, to reach households struggling with hunger who may qualify for benefits. Carolyn’s pantry serves many senior citizens, but more and more they see an increase in teenagers, young adults, and small children who need assistance finding essential nutrition.

When we connect clients with benefits, it frees up their budgets and helps remove a little stress from our pantries. Last year, benefits had an estimated local economic stimulation of almost \$20,000,000 in Alabama and Mississippi.

LAST YEAR OUR OUTREACH PROGRAM REACHED OVER **1,200 SENIORS** AND ALMOST **1,000 CHILDREN** IN NEED.

*Supplemental Nutrition Assistance Program (Formerly Food Stamps)

FOOD RESCUE

OUR BASE OF **181** RETAIL STORE PARTNERS
DONATED **12,650,979** POUNDS, WHICH
INCLUDED **75%** FRESH PRODUCT.

We aim to improve the quality of our clients' diets by critically examining the nutritional quality of our food and working with feeding partners and clients to ensure a healthy diet. In an effort to increase our distribution of fresh product, we work with many local store partners to rescue food that otherwise would have gone to waste. These generous store donors contribute to over 50% of our food inventory.

Last year we placed an emphasis on establishing partnerships with local farmers, producers, and other non-traditional

suppliers to procure over 1 million pounds of fresh, local produce. Our donors, ranging from large scale farmers to hobby growers, want to share their food with people in their communities. We are committed to cultivating relationships with growers and community partners to source excess fresh produce and distribute it among the more than 386,000 food insecure individuals in the communities we serve.

EACH YEAR 200 BILLION LBS. OF FRESH PRODUCE ARE LEFT UNHARVESTED OR DISCARDED IN THE UNITED STATES.*

VOLUNTEERS

OUR BASE OF **15,400** COMMITTED GROUPS AND INDIVIDUALS DONATED **232,023** HOURS, SAVING THE FOOD BANK OVER **\$2 MILLION**.

Our volunteers assist in almost every aspect of the organization's day-to-day functions. Volunteers are instrumental in helping inspect donated food for safety and sorting products into boxes for our agencies. This past year we added produce sorting as an opportunity for groups and individuals to get involved.

This ensures we rescue the most product we can and provide those in need with fresh, healthy fruits and vegetables.

"OUR VOLUNTEERS ARE PRICELESS! WE TRULY COULD NOT DO WHAT WE DO WITHOUT THEM. THEY ARE ALWAYS WILLING TO HELP WITH ANYTHING WE NEED."

- MISSY & TAYLER, VOLUNTEER ORGANIZERS

"I chose to volunteer for the opportunity to spend time with my children. We are still here because there continues to be a great need to feed those in the community.

We feel good knowing that with our help someone is getting a much needed meal, and at the end of the day, it's our responsibility to help our neighbors in need."

- MARGIE BOLTON, VOLUNTEER

“Goodwill Easterseals is proud to partner with Feeding the Gulf Coast to make it easier to feed hungry people in Escambia County. With our many donation locations, we are able to accept food donations on behalf of Feeding the Gulf Coast, along with the clothing and household goods brought to us by caring, generous donors with just one stop for them.”

- FRANK HARRIS, GOODWILL EASTERSEALS

FOOD & FUND DRIVES

OUR COMMUNITY PARTNERS RAISED OVER **296,000 POUNDS** AND **\$39,921** TO PROVIDE ALMOST **446,300 MEALS**.

When communities work together, amazing things happen. Food is an essential that so many people in our local community lack. Our community partners help make an immediate impact on meeting that critical need daily.

Food Drives play a vital role in fighting hunger on a local scale by keeping the food

bank stocked year-round with shelf stable items.

Fund drives also have a significant impact on increasing our inventory. For every \$10, the food bank can generate 50 meals for those in need.

“ALONE WE CAN DO SO LITTLE; TOGETHER WE CAN DO SO MUCH.”
